Linda's Day off: Monday

Sunday 24th May 2020

Greetings and welcome to this week's newsletter.

Don't forget to light a candle at 9.30 am each Sunday as a sign of us being connected to God and to each other!

A note from Church Council Executive

Church Council Executive met this week to discuss a number of matters, in particular the implications of the relaxing of COVID-19 restrictions and how this impacts on our church community moving forward. A letter is being prepared for our congregation updating them on the situation. During this meeting Executive expressed its appreciation to Linda on the tremendous leadership and commitment she has shown during this time that COVID-19 has impacted on our normal church life. It has resulted in Linda dedicating significant number of hours to the increasing pastoral care demands, setting up the self-guided resources and the ZOOM on-line services, while at the same time being heavily involved in the establishment of the Medical HQ Respiratory Clinic and submitting an assignment as part of her study leave. Executive has acknowledged this has created a huge workload for Linda with her working many more hours than her 0.8 load. As a result Church Council has agreed to offer Linda the opportunity to take an additional week's leave as time off in lieu of extra hours worked during this recent period which she has accepted for the week of 18-24 May inclusive (next week). In her absence the services for Sunday 24 May will still be offered in both forms and will be managed by a team of volunteers.

Worship Services at Home

Worship services as a gathered community continue to be suspended until we are advised by government and the Uniting Church Synod that it is time to gather again. In the meanwhile we hope you have been making use of the Worship resources collated by Linda that have been sent out each week. Resources will continue to be sent out each week with options to connect via Zoom or to worship in your own time and at your own pace using a self-guided resource. If you haven't used Zoom before and you'd like to know more, Paul Driver has offered to provide support and help you get set up if you need it. Give him a call on 0428 161 918.

Church Council update from ZOOM meeting of 28 April

- Medical HQ proposal to establish a COVID -19 Respiratory Testing Clinic was endorsed and a strategy to advise the congregation, nearby residents and the broader community was adopted
- Council gave its approval to the alternative methods of worship being used currently and the positive feedback from those involved in both types of service was noted and Council supported the cost to purchase a licence for the ZOOM online program
- During this period when the church building is not being used a roster of volunteers has been organised to do a walk-through of the property to ensure all is in order
- Following the Council Planning Day in February a draft document has been produced and council members are providing feedback prior to the final document being distributed to members of the congregation
- Safe Church under the leadership of Victoria Pederick has been progressing well with email invitations being sent to members of the Church who need to complete the Safe Screening process.
- Numerous property matters are being actioned including repairs to the church (passage floor adjacent the toilets, exterior painting/repairs) and the manse (roof leak, quotes to replace air conditioning).

Message of appreciation from Medical HQ

"It has been a hectic week for me as the Respiratory Clinic Manager, but I am pleased to announce that all building work has completed and we passed the government inspection on Thursday 30 April. Our website is now live and we are listed on the Adelaide Primary Health Network website. We will be listed on more websites on Monday 11/5/2020 when the clinic officially opens for its first day. We already have a number of patients who have rung up and made bookings for that day. I apologise, I don't have all the contact emails of all the wonderful staff involved from the Athelstone Uniting Church, but please convey my enormous thanks to all involved. I also want to pass on my deep gratitude to your congregation who have graciously supported this community effort to defeat COVID-19. I expect the first week will be busy but will endeavour to send updates towards the end of the week so that the church can continue this journey with my team and I."

With great thanks,
Dr Nathan Lam

Stay and Play @ Home

Our Term 2 Program continues, with Stay and Play @ Home families being provided with a once/fortnight program. Activities follow our annual theme of "Save the plants, save the planet" with an emphasis this term on "Family, like branches on a tree, we all grow in different directions yet our roots remain as one." Email resources will be sent out on 2nd June, 16th June and 30th June. With thanks to Carol, resources from previous sessions are also being made available on the AUC web site. Bruce and Joy continue to maintain the wirra and are enjoying the new growth that comes with the rain.

Pastoral care

The Pastoral Care Oversight Team has been working on ways for us to care for one another during this time. We have developed a network of people who are checking in on and praying for each other regularly. Whilst this provides structured ways of caring for people, we encourage you to still continue to reach out and love and care for one another, as so many of you do so well within our church community, and also those around us. Please do let us know if you are need of support.
