

Aussies Knitting for War-Affected Kids

and crocheters, sewers, quilters and more

Aussies Knitting for War Affected Kids is a small, volunteer humanitarian group which strives to keep displaced and traumatised kids clothed, warmed and nurtured though bitter Middle Eastern winters. We are much more than a knitting group now with a community also turning to quilting, sewing, crochet and woodwork to help the kids.

**We are having a drive for hot water bottles plus covers
Can you help with this quick and cost-effective way to make
a huge difference to a child in need?**

The children we assist confront brutal winters. Day temperatures can plunge below zero with snow and rain overwhelming camps where the best shelter is a barely adequate tent. In the worst of winters when the temperatures plunge so low, on those dreadful days, being able to cuddle with a hot water bottle will provide immeasurable comfort for the children and help ward off hypothermia.

What we need

- A good quality NEW hot water bottle - available for around \$6
- A cover, either sewn or knitted, any fibre or fabric - free patterns are online

**We aim to kit out
1,500 kids for next
winter so need as
many HW bottles &
covers as possible.
Thank you**
