in South Australia
and Northern Territory

Children, Youth & Families

Saturday May 22nd: 9.30-4pm at a Hub near you

Join us across SA for a fantastic day of training. Participate with one of our district HUBS to network, share and explore ministry. Held in cooperation with 'Amplify' conference in Qld, featuring top speakers and electives. For more info contact your church or CMN representative, or Chris Battistuzzi - chris@susa.org.au / 0433067769

***Invigor8** is multiplying with numerous Hubs across SA and support from a range of denominations. The Hubs encourage local ministry networking and connections, particularly as we emerge from a year of isolated ministry. Thanks to technology the Children's Ministry Network of SA, can bring excellent training and teaching to Christian leaders and volunteers across the state seeing more people equipped. If you can't get to a Hub near you, please contact us for other options.*

When registering online, choose your nearest Hub or the venue that suits you best. We expect each venue to have people from different denominations attend.

The program

Includes a keynote session and up to 3 electives in 2 streams – **'Children or Youth' ministry**, and time for networking and reflection. Pre-recorded training materials are generously being shared from Amplify Conference in Qld. Morning tea will be provided. BYO lunch and water bottle. A goody bag with freebies and info will also be given out on the day.

Register by Monday 17 May: <https://events.sa.uca.org.au/mission-resourcing/invigor8-2021>

Register on time to enable conference planning and to meet Covid restrictions. Please do not attend if you are unwell.
