

Plant some hair for “Alfie”

- 1. Fluff up 5 or 6 cotton wool balls and put them in a plastic lid or scoop out half a potato.**
- 2. Sprinkle a teaspoon of alfalfa seeds over the cotton wool.**
- 3. Spray the seeds and cotton wool with water.**
- 4. Draw a face on your lid with texta.**
- 5. Put on a window sill, water each day. Watch his hair grow, snip and eat!**
